

## Face Mask Requirements For the Foreseeable Future at CCOP

Dear Ones,

We are asking each of us who attend worship services at Covenant Church for the foreseeable future to kindly wear a face mask. The government has indicated that this is a necessary requirement for participation in public gatherings. Our Board and Senior Leadership believes that during this season, it is essential to continue to enjoy our privileges of gathering publicly in worship. The heightened increase in Covid-19 infections has raised the need for each of us to willingly express our love for each other and honoring the genuine concerns for those who also wish to attend our services. Let us make every effort to show our desire to partner with our government in every way possible, and continue to enjoy our times of worship as we have done in the last few weeks.

As we have indicated, those who wish to do so, can join us on the FM station in the parking lot and via Livestream.

Continue to pray for the rapid eradication of this disease as we see God faithfully moving in power to heal.

Bishop Joseph

PS I recently attended a significant gathering of leaders for a Promise Keepers event in Nashville, and the requirement for face coverings in those meetings, did not limit the moving of the Spirit, or the Presence of God.
