# WELCOME TO TIMES OF REFRESHING (TOR) 2022 AT COVENANT CHURCH OF PITTSBURGH AND OASIS CITY CHURCH, IN WESTERVILLE, OHIO

## 21 DAYS OF PRAYER & FASTING

During the course of 21 days starting from January 9th-29th, we are setting aside specific times of prayer to seek the Lord as a time of refreshing, reflection, and renewal individually and corporately. Open your heart to the Father and begin to seek His face through fasting, worship, and meditating on His word. During these next three weeks, you can be a part of a corporate strength and enjoy some wonderful times of fellowship with the Lord and His church.

Our ToR Schedule will consist of daily morning prayer times Monday through Sunday, from 7am-9am at the Worship Center, three mid week All Church Equipping Services with outside speakers, two special All Church Worship & Prayer Nights, and three special simulcast services with Dr. Brian Simmons, lead translator of The Passion Translation.

Serving as an annual reset ToR 2022 will prove to be a remarkable journey as we discover God's goodness, presence, power, and promise for the days ahead.

You really do want to take advantage of these opportunities to start the year off in the right direction.

Our hope is to bring a Daily and Weekly prayer focus to a good number of prayer topics for 21 days relating to our churches in two locations: Covenant Church of Pittsburgh, and Oasis City Church in Westerville, Ohio.

## CHOOSE TO FAST

We encourage everyone to join our corporate fast during these three weeks. There are many ways to fast. One of the most popular fasts we've seen during ToR is a "Daniel Fast" and you can find more information here: <https://ultimatedanielfast.com/ultimate-daniel-fast-food-guidelines/>

Derek Prince said, "Fasting intensifies prayer." We have found this to be very true. One of the best teachings on fasting is from Derek and can be found here:

## HOW TO BENEFIT FROM TOR 2022:

You can take advantage of these opportunities by setting aside some time each day to seek the Lord afresh at Home as well as at Church during each of these prayer times and scheduled events.

### AT HOME:

Let's start each day by using the Daily / Weekly Prayer Guide in your devotions and Bible reading. Please be sure to incorporate some of these topics into your prayer and intercession. You might even keep a journal handy to record any thoughts or prayer impressions you receive from the Lord at the start of a brand-new-year.

### AT CHURCH:

As you are able, please be sure to take advantage of the morning prayer times from 7am-9am daily, at the Worship Center as well as attending as many of the scheduled ToR services as possible. Please see the schedule for more details.

The morning prayer times give you the opportunity to stop by to pray on your way to work or to join us on Saturday and Sunday mornings.

Each of these events are open to the public and you might want to invite any of your prayer partners, family, and friends along with you.

Use the Church Center App, the announcements on Sundays and other types of ToR Online information to help you to stay on track with your ToR 2022 journey this year.

## A LOCAL, REGIONAL, NATIONAL, & INTERNATIONAL FOCUS:

Part of our ToR this year, we want to focus our prayers on Local, Regional, National, and International issues as we anticipate the Lord to move in a sovereign way across our region and world!

### LOCALLY

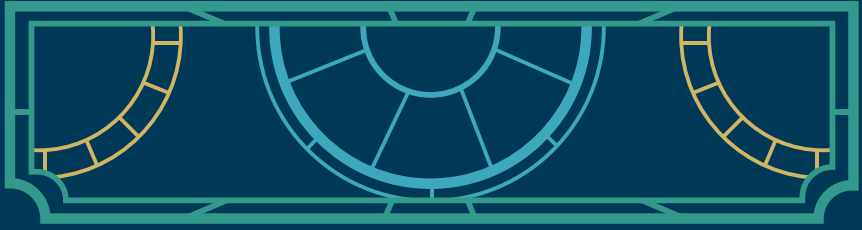

Pray for our local communities of Wilkinsburg, Pittsburgh, Westerville and Columbus, Ohio. Awakening, Revival, and Renewal for our churches, schools, government, our business communities, personal economic recovery, a down turn in crime, violence, drugs and for a mighty harvest that is ready to be reached!

### REGIONALLY

These two states, Pennsylvania and Ohio, have a significant place in the history and future of our nation. Ask the Lord to move powerfully upon this region as a continuation of our prophetic journey! Covenant Church of Pittsburgh, and Oasis City Church have a major part in what the Lord is doing in this region.

### NATIONALLY

The issues facing our country today puts us in a unique position to pray and to affect change in our current and future realities. The need to stand in the gap and pray for our nation has never been greater than it is right now. Petitions for heart-felt repentance across the board are needed; Requests for unity and God's order to be restored in our government institutions; in our streets; our schools; our homes and in our churches! On a national scale the abortion issue is at a pivotal moment and more prayer is needed for a tipping point in God's favor to occur.

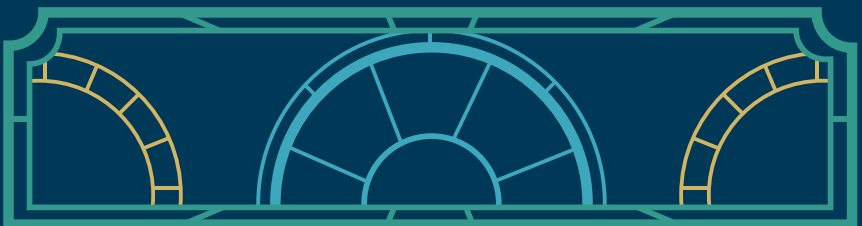

## INTERNATIONALLY

Both Covenant Church of Pittsburgh and Oasis City Church have a global presence in a good number of nations. Our international mission partners and churches in each of these locations are on the frontlines in strategic hotspots for the Gospel today.

Ask the Lord to bring forth a bountiful harvest of righteousness in each of these locations and more in places like: Jerusalem, South Africa, Cuba, Jamaica, China, India, Thailand, Myanmar, and Singapore.
